

MANY SENATORS EXPECTED TO QUIT

Four Already Defeated in Primaries, Three Not to Run.

REPUBLICANS HOPE TO GAIN SOME SEATS

O'Gorman's Refusal to Enter Race Believed to Give the G. O. P. Opening.

Washington, July 11.—Senatorial mortality promises to be exceedingly high at the end of the present term—March 4—present indications, whether a Republican landslide should sweep the present minority into power in the upper house or not.

Thirty-four senators are to be elected by the people in November. Thirty-two, one-third of the Senate, will get regular terms and two full unexpired terms—that of Senator Shively, of Indiana, temporarily filled by the appointment of Thomas Taggart, and that of Senator Burleigh, of Maine, still vacant.

While it is expected that many senators will be transformed into lame ducks on Election Day, the crop of pre-election defeats or withdrawals is already surprisingly large. It now totals seven.

The seven senators who are already certain to retire to private life are Nathan P. Bryan, of Florida; Moses E. Clapp, of Minnesota; Luke Lea, of Tennessee; Blair Lee, of Maryland; James A. O'Gorman, of New York; George T. Oliver, of Pennsylvania; and John D. Works, of California.

Defeated in Primaries.

Of these, Bryan, Clapp, Luke Lea and Blair Lee were defeated in primaries, while O'Gorman, Oliver and Works are not candidates for reelection. Luke Lea and Blair Lee were defeated by members of the House from their states, Lea by McKellar, and Lee by Davy Lewis, father of the parcel post.

It makes it a little harder in the case of Bryan, Lea and Lee, because in the Democratic nomination is normally equivalent to an election. As the result of the defeat of Blair Lee in Maryland it is said that the Republicans are quite apt to gain an unexpected seat in the Senate, as there is much opposition to Lewis in conservative Baltimore because of his government ownership ideas.

Friends of Senator O'Gorman are fond of saying that his refusal to run gives the Republicans a seat from New York. They say he is the only German who could muster the full German and Irish vote, but the chances are, however, that the Democrats regard his state as one of the big battlegrounds this fall.

It is understood that Secretary of the Interior Lane, who is highly popular in California, will take personal charge of the effort to land its thirteen electoral votes in the Wilson column and to capture the Senate, if possible.

Senator Oliver's refusal to run rounds out a most peculiar cycle. Mr. Oliver, who is a wealthy newspaper publisher in Pittsburgh, was elected to the Senate to succeed Senator Pittman, of Ohio, who resigned to become Secretary of State in President Taft's Cabinet. Now Mr. Knox is coming back to take the seat which, so to speak, Mr. Oliver has been holding for him.

Information reaching the capital from Texas is to the effect that Senator Culberson, long one of the Demo-

THOUSANDS RISK BLAST AT FIRE

Crowd About Subway Blaze Where Dynamite Is Stored.

Unheeding the shouted warnings of policemen, thousands of men and women on the crowded subway at 137th Street and Broadway yesterday afternoon received a general alarm to watch for a woman and two babies, the machine in question passed his corner. Dropping the telephone, he followed the car across 137th Street to Riverside Drive, where he found it standing in front of the Cromwell Apartments.

Notifying his neighbors immediately, he was soon relieved by Detectives Saffer and Millahay, who stood guard over the automobile.

Edward Borg, thirty-nine, a broker, who lives at the Cromwell, came out to see what was going on. He admitted running down a woman and two babies at West End Avenue and Seventy-second Street.

"Why didn't you stop?" he was asked.

"I did. I gave my name and address to some one and offered to take the woman and the children home or to the hospital, and was refused. If I have done anything wrong, do it to me because of my ignorance of the law."

Borg was locked up, charged with the felonious assault and violation of the motor vehicle law.

Mrs. Inga Johnson, 49 West Seventy-third Street, and her fourteen-month-old twins, Arnold and August, the victims of the collision between automobile and baby carriage, were taken to the Kings County Hospital. The mother's right arm was fractured and the children had received body bruises.

Universal Training Favored.

A growing sentiment throughout the United States for universal military training and service is reflected in statistics issued yesterday by the National Service League. The statistics, constituting the Chamber of Commerce of the United States have voted for this form of preparation by a majority of 839, it is stated. Every national organization in the last few months has declared in favor of universal training.

DROWNS SAVING FRIEND

Boy Finally Rescues Man for Whom Chauffeur Died.

Adolph Davis, twenty-one, a chauffeur, of 138 West Sixty-eighth Street, lost his life yesterday afternoon in an attempt to keep his friend, Benjamin E. Bevedes, from drowning. Bevedes was saved by another.

Bevedes, who lived with Davis, had gone in bathing. Lying on the beach, Davis saw him suddenly throw up his hands and go under, as though he had been seized with cramps. He sprang into the water and swam to him. He bore him up, however, Davis became so exhausted that he loosed his hold on Bevedes and sank.

Max Shulman, sixteen, of Stapleton, saw the two men struggling. Fully armed with a life preserver, he rushed to the beach and succeeded in bringing the unconscious Bevedes to shore.

Davis's body was not recovered.

LECTURE AIDS PLAGUE FIGHT

Police Captain John S. Sweeney, of the 15th Precinct, has called a mass meeting of citizens in his district to discuss the plague problem. He is anxious to forestall a spread of the disease by pointing out methods of prevention.

The meeting will be at 8 o'clock in the evening at the 63rd Street, between Avenue A and First Avenue, Dr. Henry R. Humphrey and Dr. William Irving Serwiche will be among the speakers.

HELD AFTER AUTO HITS WOMAN AND 2 BABIES

Broker Says He Proceeded After Giving Name to Some One.

As Policeman Charles Burris, of the 125th Street station, stood at a box at 137th Street and Broadway yesterday afternoon receiving a general alarm to watch for a woman and two babies, the machine in question passed his corner. Dropping the telephone, he followed the car across 137th Street to Riverside Drive, where he found it standing in front of the Cromwell Apartments.

Notifying his neighbors immediately, he was soon relieved by Detectives Saffer and Millahay, who stood guard over the automobile.
